EFFICIENCY

26.00
SEER2
is the new bar.

What is SEER2?

This rating determines an air conditioner's efficiency. The higher the SEER2 rating, the more energy-efficient it is.

COMMUNICATING

Smarter together

Unlock a world of connectivity by pairing this unit with the Lennox S40 Smart Thermostat. It's the command center for a fully communicating home comfort system, with the incredible ability to monitor sensors throughout your home and in all your equipment. From detecting air pollutants and customizing comfort by room to providing maintenance and service reminders, it will even automatically alert you if your system goes out of tune and allow you to remotely share diagnostics with your local Lennox dealer.

MADE TO LAST
